### **RE: ONLINE GYM GAMES COMPETITION ENTRY SYSTEM**

We would like to inform all Provinces that entries for Gym Games, for all disciplines must be completed and submitted by each Provincial Administration Office.  
Entries from individual clubs/districts etc. will not be accepted.

#### **Benefits of online entries:**

- The system automatically checks if someone is registered or not and will only allow registered members to be entered
- The system invoices are based on the category of the member, only competitive members can be entered
- The system utilises data that is already on the system such as **Race, Category, Age, Province etc** so that there is no need to provide that information again when entering
