RE: TRAMPOLINE & TUMBLING INTERNATIONAL FIG JUDGING COURSE - RSA

Dear Judges.

Please find attached the directives and invitational letter from the FIG for an international judges course for the XIV cycle to be held on the 31st July to the 3rd August in Pretoria, South Africa. Thanks to Helen for arranging.

This course can be attended by all level 4 (national judges) and above. We would urge all judges to take advantage of attending this specially arranged course, as attending the same course abroad will be much more expensive. To cut down on costs we have arranged and received permission from the FIG, that local judges do not need to make use of the HPC accommodation.

The cost of the course for RSA participants is R12,565.00 per person and the Trampoline TC will contribute R2,565.00 towards the costs of five participants - depending on seniority, although preference will be given to assisting those who have not yet been assisted and those who are actively involved in serving the sport. We would urge qualifying judges to approach their districts and/or provinces for financial assistance. We apologise for the short notice however, the directives were only received from the FIG on Friday. **We have to submit our registrations by the 30th June, which means we will need your application form by no later than close of business on the 29th June** – should we fail to register a minimum of 20 participants the course will be cancelled. Please complete and return the application form to Mark from the SAGF (mark@sagf.co.za) with a copy to me (cheryl@netactive.co.za) ASAP.

Important Note: For judges who have an FIG logbook – you must please submit a copy of it in PDF format for the 2013-2016 cycle together with your application form. This logbook must also be brought to the course.

Kind Regards
