JUDGES

Provinces are to submit the names of their judges & coaches online so that a schedule can be prepared and distributed.

A decision taken by the tumbling TC is that the penalty for not supplying judges will be R2500.00 per missing judge, as this will ensure that we are able to pay the costs for any proxy judges required. This amount will be duly updated in the tumbling manual. Judges must be available from the start of the day until the end of the day.

It is the duty of every province with tumblers to supply judges. If any of the North Zone provinces, do not have tumbling entries, then they are not obliged to provide judges and the judges they have been requested to supply will be added to the other provinces, depending on who has majority entries.

COMPETITION CARDS

Tumbling Competition cards for Level 9 & 10 participants only are required. Tumbling Competition cards must be handed to André van der Merwe 1 hour before time of participation. Failure to do so will result in disqualification of the gymnast.
